

## Anthony Place, Partner

Anthony has worked with stressed and distressed businesses for over 18 years, focusing over the last eight on advising boards in restructuring and other event driven special situations.

Anthony has advised across a wide variety of industries, in a number of jurisdictions and for a range of stakeholders, including corporate boards, bank syndicates and shareholders. He has also spent 18 months on secondment in the London Acquisition Finance Department of a major European bank, which included working as a steering committee member on several high profile restructurings.

### Major Recent Projects

- Independent Director of a Dutch property holding company with significant retail assets based in Germany, and a CMBS debt structure. Oversaw stabilisation, options review and ultimate sale of the group.
