

Michael Thomas, Partner

Michael is an FCA and has over 14 years experience of advising corporates, investors and creditors in stressed and distressed situations across a number of jurisdictions. He has significant experience of working alongside management teams and Boards of Directors to provide hands-on support and advice through complex restructurings, refinancings and special situations.

Michael also spent nine months on secondment at the specialised lending department of a leading European bank.

Major Recent Projects

- Joint CRO and Geschäftsführer of Scholz Holding GmbH, the global metal recycling business, appointed to negotiate and implement the financial restructuring of its €1 billion of debt.
- Financial Adviser to Apcoa Parking, the panEuropean car park operator, to negotiate and implement the financial restructuring of its €800 million of debt.
- Adviser to UK Public Body as majority creditor in a \$0.6 billion insolvent Luxembourg securitisation.
- Providing cash management support to Almatris, a leading global manufacturer of alumina, on behalf of the Management Board as part of its \$1 billion debt restructuring.
