

Peter Morgan, Partner

Peter has over 20 years working with distressed companies, advising investors and management teams going through financial restructuring and workout.

Peter has played a key role in financial restructurings across a wide range of industries, including manufacturing, utilities and the retail and service sectors. He has extensive international experience covering the UK, Continental and Eastern Europe, the US and Japan.

Major Recent Projects

- Financial adviser to the Informal Creditors Committee of Kaupthing, an Icelandic Bank with approximately €17 billion of debt.
- Led a THM team in 12 month project managing the acquisition of Eggborough Power Limited. Acted as interim CFO for a six month period post acquisition during which time he managed the implementation of a new finance and accounting system.
- Adviser to the board of a major UK furniture retailer in the lead up to an MBO, with workstreams including improving forecasting and developing and implementing working capital improvement initiatives.
- Adviser to the board of a UK quoted leisure operator through a period of crisis stabilisation concluding with a refinancing of £100 million of debt.
